

Venom Price List

Terms and Information

All venoms are collected in a sterile manner and frozen at -70C before lyophilization.

Other venoms available upon request; contact us for more information.

CITES permits available for all CITES listed species. Extra cost for permits.

Locale information available for most species.

Small quantities: for venoms listed on our regular list, we are happy to send quantities smaller than 1g; however the least amount we will charge for is 0.5g.

KRZ makes every effort to stay current regarding nomenclature and taxonomy. Our listing reflects current trends, with former names in parentheses. If you have any questions, feel free to contact us.

International Orders: KRZ is familiar with shipping to many different countries. However, it is the customer's responsibility to notify KRZ of any and all permit or customs entry requirements prior to shipment of venoms. KRZ is not responsible for regulations or requirements we are not notified of.

Ordering Information

To order: email kyreptilezoo@kyreptilezoo.org with the following information:
